## INTRODUCTION

Welcome to the 11<sup>th</sup> running of the NHMC Cadwell Stages Rally to be held on Sunday 16 November 2025 at Cadwell Park Race Circuit near Louth (LN11 9SE) promoted by North Humberside Motor Club Limited.

The excellent tarmac circuit, together with tarmac infield tracks hosts the rally. The rally is the 2nd round of the 2025/2026 Protire Circuit Rally Championship. There are only two stages rallies at Cadwell Park in a calendar year and we expect entries to fill quickly.

In addition to the Protire Circuit Rally Championship the event is a round of the Alpha Concrete ANEMMC Stage Rally Championship 2025, the 2025 Clubman Motorsport EMAMC Stage Rally Championship, the ANWCC Stage Rally Championship 2025, and the Proflex Shock Absorbers 2025 ANCC Stage Rally Championship.

Entry is open to members of member clubs of four Regional Associations: ANCC, ANECCC, ANEMMC, and EMAMC and registered contenders in the ANWCC Stage Rally Championship.

For 2025, and based on other events' experiences in terms of a rush of entries, we are adopting the following system: Entries open on Monday 6<sup>th</sup> October 2025 at 19:00. At that point we only require an entry form (no payment), fully completed with all information. The entry portal will remain open until 12:00 Sunday 12<sup>th</sup> October 2025. At that time the organisers will randomly select 95 entries (assuming we are experiencing high demand) and those entries will be emailed to acknowledge the entry and to **require** payment by 19:00 on 16<sup>th</sup> October 2025. The organisers reserve 5 places to allocate at their discretion. We hope this method will avoid "fastest fingers" or prejudicing those whose work patterns prevent them going on line when entries open or experience delays in payments coming through. Entry fees are payable by bank transfer **only**.

We shall be using in advance electronic signing-on for competitors and officials, and a virtual notice board. Competitors and event officials are urged to read the guidance on Motorsport UK's web-site at <https://www.motorsportuk.org/>. All paperwork will be available on the Internet. **No paperwork will be sent by post; printed copies will not be available at the rally (except for Scrutineering Check Sheet, Time Cards, Tyre Declaration Form, and Damage Declaration) – you need to print your own copies of the paperwork you need.** Regulations, Entries received so far, Final Instructions, Seeded Entry list, Road book, Stage plans, and Results will all be available on the Internet at <https://NHMCCadwellStages.org.uk>.

**We intend to hold the Competitor's Briefing using Zoom Webinars on the evenings of Wednesday and Thursday 12<sup>th</sup> and 13<sup>th</sup> November 2025.**

The event will be run over 100% sealed surfaces. The entry will be restricted to 100 starters. The later stages may run in darkness.

The circuit's usual toilet and catering facilities will be available during the event. Free camping will be available on the venue on the **Saturday** night for any competitors or service crews who would like to stay. Note that no animals are allowed, except for assistance dogs.

We do not want to jeopardise use of Cadwell Park as a rally venue and we remind you that no noisy cars will be allowed to start the event. Motorsport UK noise levels will be strictly enforced throughout the event. We ask that you pay particular attention to the reference to backfiring in paragraph 10 of these regulations.

There is no Junior Rally this year.

North Humberside Motor Club Ltd is grateful for the assistance of members of Trackrod Motor Club Ltd in the organisation of this rally.

The organising team look forward to meeting you and hope that you have a very enjoyable and safe day's motor sport.

Ian James  
Clerk of the Course

In the event of any retirements, competitors will be required to close gaps in the running order.

Controls will open at the due time of car 1 and close 5 minutes after the due time of the last competing car. Competitors reporting to a stage arrival control more than 5 minutes after their due time will be deemed not to have visited that control.

Stage Time penalties:      Minimum penalty = Bogey time (NCR 13.13.11.1)  
   Maximum penalty = Target time

To be classified as a finisher, a competitor must report to all controls listed in the Road Book except as provided for in NCR 13.13.14.1 (NCR 13.8.1.3(a)(ii)) where two-thirds of the stages must have been completed and report to the final control within the maximum lateness specified, with the car in which they started. Note that in calculating two-thirds of the number of stages, any fractions will be rounded down (for example, two-thirds of 8 will be taken to be 5).

## **22 NOTICES**

All official signboards and arrows are mandatory.

## **23 CONTROVERSY**

Should controversy arise over a section, the organisers reserve the right ('*Force Majeure*' notwithstanding) to cancel the section from the results if they deem it fairer to do so. All official times and mileages are deemed to be correct and are not subject to protest.

## **24 STAGE START PROCEDURE**

## 27 SERVICING and TYRES

Servicing is defined as work carried out by someone other than a competing crew, or with the use of parts or tools not carried in a competing car. There will be a service area set aside where this work may be carried out (NCR 13.18). The behaviour and conduct of the service crew is the responsibility of the competitor and any contravention of the regulations by the service crew will be dealt with. You are reminded that the service area is not a test track and the warming of tyres/brakes etc. is forbidden. It is suggested that all crews take great care when working on their cars. If using a jack, axle stands are recommended, when working on fuel systems, the battery should be disconnected. All service vehicles are requested to carry a working fire extinguisher.

Space is limited on this venue and only one service vehicle per competitor will be allowed in the service area, all other vehicles must be parked to the organiser's instructions. Details will be given in the final instructions.

Competitors are reminded that **ALL** persons entering the venue having connection with their entry are subject to the rules and regulations governing service and service personnel.

**Open pouring of fuel from hand held containers with or without the use of a funnel is not permitted.**

Competitors are reminded that all aspects of the Health & Safety Regulations must be observed.

All entrants must ensure that all persons connected with their entry have read and fully understood the following statement: - 'Every person participating in this event, whether employed or voluntary, shall take reasonable care for the health and safety of themselves or other people who may be affected by his / her acts or omissions during the operation of the event'.

See also SR 34.5.

The maximum number of tyres allowed for this event is 12 (NCR 13.16.7.11). The planned stage miles are less than 45, so no additional tyres may be used.
